Faith Formation Series – What the Heck is Emerging Ministry?

Join this five week series of talks, or maybe more if I pontificate too much, to explore one of the new directions that some Christian churches are taking as they try to break out of the general malaise that is affecting our faith today. We will talk about the emerging landscape of the future in which the church will live (tomorrow’s world), the church’s gathered and gathering community of today (who we are and who will join us), the postmodern “whateverism” form tomorrow’s church will take (lot of good ideas to talk about here), and the mobile leadership to get us there (think Jonah’s trip to Nineveh). Don Icken

WEDNESDAY EVENINGS BIBLE STUDY (7:00-8:00 pm) All are welcome to join us. (Does not meet Wednesdays when there is a council meeting)
