ANNUAL CONGREGATION MEETING, JANUARY 31, 2016, 10:30 AM

In order to be a voting member of Trinity Lutheran Church, you must contribute once and receive Holy Communion here once a year. To ensure that our records are accurate:

- In 2016, please use your NEW contributor number—mark each contribution with your number.
- **All members and visitors**, each week before going up to receive Holy Communion, please complete a **RECORD OF COMMUNION CARD** and hand it to an usher on your way up. PLEASE PRINT. We keep these records primarily to accurately determine eligible voting members (confirmed members who, during the current or preceding calendar year to a specific congregation meeting, have communed and have made a contribution of record to this congregation).

BULLETIN COVERS are needed for January and beyond. Please sign up in the narthex.

For 2016, ALL regular contributors have been assigned a NEW contributor number. We have dropped down to 200 box of envelopes, saving the church over three hundred dollars as part of our ongoing goal toward reducing expenses. Those who use physical envelopes on a regular basis are assigned a box of envelopes numbered within the range of 1 to 200. Those who contribute online, do not use physical envelopes regularly, or are visitors have been assigned a five-digit contributor number. This acts as an account number for recording contributions. **Please check the table in the narthex—if you do not have a box of envelopes, you have a letter providing your new number. PLEASE NOTE:** To ensure that your contributions are recorded and attributed to you correctly, **PLEASE CLEARLY IDENTIFY ALL CONTRIBUTIONS** with your name, address, and contributor number. This is especially important for cash contributions. If you wish to contribute to multiple funds in the same week, please mark your contribution accordingly, including General Fund, Mortgage, Building Improvement, or Festival Music. Pew envelopes are available in the pew racks and from the ushers. A list of contributors’ numbers will be available in the narthex if you are uncertain of your number.

It is important for everyone to **DISCARD ANY UNUSED ENVELOPES FROM PREVIOUS YEARS** to avoid any possible confusion. If you have your contributions automatically generated by your bank, you should inform them of your new number. If you contribute online, your number will be updated in that system by the financial recording secretary, Stephanie Lyons. We greatly appreciate everyone’s continuing contributions and everyone’s patience as we make this change—The Finance Team
