Pastoral Reflections - We Are Easter People

"Look, I like the Christmas Jesus best, and I'm sayin' grace. When you say grace, you can say it to Grownup Jesus or Teenage Jesus or Bearded Jesus or whoever you want." (from Talladega Nights: The Ballad of Ricky Bobby)

I would guess that many people are much more comfortable with Jesus in that manger. Christmas holds a greater place in our culture than does just about any other holiday – even if there are a larger number of Santa Clauses and reindeer than Nativity scenes. We like Christmas with its special foods, trees, presents and family traditions.

While Easter heralds the dawning of spring and the stores are filled with bunnies and eggs – still it does not have quite the impact as does Christmas. There may be signs about "keeping Christ in Christmas" but not many people talk about keeping the cross in Easter.

I would venture to guess that Christmas – beyond all the traditions that go with it – is about hope, particularly during the darkest days of the year. Baby Jesus reminds us of innocence, wonder, possibility and hope.

Easter – while it is filled with more light – still means that we first must face death. We do not just go from the shouts of Hosanna on Palm Sunday to the Alleluias on Easter. We must watch as Jesus is betrayed, denied, convicted and killed. In marking this path to the cross, we are confronted with our own failings, with the brokenness of the world, with sin and death. We

would much rather kneel down at a manger than at the foot of the cross.

And yet, the realities of Holy wWeek are often what make up our lives. We live amidst brokenness every day – in our own lives, in our communities and our world. We may try to turn off the news, ignore the bad things that come our way and turn a blind eye to others around us. This is not going to make it all go away.

Easter meets the reality of our lives and our world. We bring all the hurt and brokenness to the foot of the cross, laying it before Jesus in

confession and through our tears. It is here that Christ looks upon us in love and grace and proclaims "forgive them for they know not what they do" and "today you will be with me in paradise."

Easter transforms the cross from a symbol of death as we find ourselves standing before the empty tomb. For it is through death that life arises.

From the fallow months of winter does new life spring. From the brokenness of our world comes hope and possibility. As wounds are healed and relationships are restored, we find the strength of God's mercy.

We are Easter people – for we live in hope. We look for life out of death. We see possibility in the face of brokenness. We face the reality of the cross as we stand ready to receive Christ at the empty tomb.

Christ is risen! He is risen indeed! Alleluia!

The NEW Jelly Bean Prayer

Red is for the blood He gave,
Green is for the grass He made,
Yellow is for the sun so bright,
Orange is for the edge of night.

Black, white, brown, yellow and red is for
the children He made

All of these colors receive the grace He
gave,

Purple is for the hour of sorrow,
Pink is for the new tomorrow.

Give a bag full of jelly beans,
Colorful and sweet,
Tell them it's a Prayer....
It's a promise..
It's an Easter Treat!

Thank your for your generosity ...

I am still collecting donations for security and first month's rent for the adult couple no longer able to afford the Mahopac Hotel at \$85 per night on their \$1100 income (other adult just left). They need a place on a bus line (\$600-\$700 per month). Eric is starting a part-time busboy job. He is on social security disability after injury in a 26-year plumber career. They have really appreciated your donations for their bus and laundry needs. God bless you all. Please contact me at gpeasesoar@aol.com or 845-225-8921, 629-1963 (cell).

Trinity Needs Gardeners

This is a plea for volunteers to help maintain the Trinity gardens. The gardens surrounding Trinity make our grounds attractive and inviting. However, they do not just maintain themselves. Many hands are needed to keep our grounds attractive.

The gardeners of past years are no longer able to continue. Please consider giving a few hours to weeding, watering, and general upkeep. The gardens will be turned under and planted without commitments for continuing upkeep. See sign up sheets are in the Narthex.

Contact Ken Mongold at 845-803-9145 for further information.

Trinity Needs a New Treasurer

We have been blessed by countless faithful servants who have been our treasurers over the years. Arnold Schuff, our current treasurer, is retiring at the end of this year and so we are looking for someone to take on this responsibility. We would like to find his replacement early so that we can have a smooth transition. If you would like more information, please contact Don Icken (Finance Chair), Barbara Markert (Council President) or Pastor Jen. Call the office for their contact information: 845-279-5181.

Property News

God’s blessings on you and yours! At the March 29th Property Committee meeting we discussed parking lot repavement, recognizing those who made donations for the windows in Fellowship Hall, installing air conditioning in Shepherd’s Hall, discussing refurbishing of our church sign on Route 6 and more. As I have stated before we have been approved for a grant by the Metro NY Synod for a couple of these projects. Busy, busy! Things are continuing to look great thanks to many of our members volunteering their time and energy and donations. Your support is greatly appreciated.

Thanks to all of you for your help in turning off lights, closing doors and keeping our closets neat. This saves us lots of money and keeping the closets neat makes it easier to find things. Thanks to **Phil DeRoberts** for his donation of two new dehumidifiers. This is awesome!

Again, I would like to thank **Pat Wills** for all she does in recruiting organizations to rent our building. The income she brings in is fantastic. We have more groups every month looking to use our facility and that is a wonderful. God’s Blessings on all our members and their families.

Spring cleanup is scheduled for April 29th Hope to see you there. Sign up in the Narthex to let us know you will be there. Also, we have put some more bulletin boards up so folks can put up info on what is happening in our church.

Last but not least ... a huge THANKS to **Joanne Icken** and all those who helped in re-painting the walls in Shepherds Hall and the General Meeting Room. What a great job! Thank you all for your continued support to Trinity Lutheran Church!

Packing the Pantry

Starting Saturday March 25th until Sunday March 26th the youth group participated in a 25-hour food and phone fast to raise awareness and donations for the Putnam CAP food pantry.

We collected almost \$1,200 in cash as well as groceries from sponsors and shoppers at ShopRite.

We would like to thank the congregation and the community for their support and the youth group for their generosity and hard work.

We look forward to helping those in our community that are less fortunate than us.

COLOMBIA

Tall and rail-thin, *Maria may appear young and shy, but when she is working with the Evangelical Lutheran Church in Colombia's (IELCO) Proyectando Mi Futuro program, the 14-year-old's leadership skills are on shining display. Maria lives with her mother, grandmother and two younger siblings in a tiny home in Caracolí, a neighborhood outside Bogota, Colombia.

Her grandmother, like many of their neighbors in the crowded barrio, fled her hometown years ago to seek a better life. The streets here are dusty, the homes pieced together with scraps of wood and corrugated steel. Many lack water, electricity and sustainable protection from the elements. The challenges are easy to see.

Fortunately, so are the opportunities. Through your support of ELCA World Hunger, IELCO's Proyectando Mi Futuro is working with young girls and women like Maria in Caracolí to develop their leadership skills and inspire their hopes.

Through her participation in self-esteem classes, Maria has been motivated to do well in school and perhaps go on for further education. Last year, Maria's group decided to learn hairstyling skills, and today, Maria is so proficient that she and the other young women offer their services to their neighbors. This lets Maria contribute to her family's income.

This year, the group – with some new members – has decided to focus on manicure and pedicure skills, and Maria is thrilled to expand her services in this new area. In addition to skill-building and self-esteem classes, the families in Caracolí receive counseling from staff with IELCO, who provide home visits every two weeks.

Thanks to your support of ELCA World Hunger, families like Maria's are turning their hopes for a better life into reality in Caracolí.
