"Stories of Faith in Action" connects us as church and illustrates how, through your generosity, God is at work across the ELCA. It highlights how a portion of your offering, called Mission Support, advances the ministry of our church, helping the ELCA nurture Christian community, raise up leaders, serve our neighbors and strive for justice. Most importantly, it's one way to thank you for your faithful generosity to your congregation, your synod and the churchwide organization — by showing your offering at work. Dive into [the latest issue](#), which is now available in its digital edition and includes:

- A special message from **ELCA Presiding Bishop Elizabeth Eaton**.
- Nine inspiring stories from around the country and the world.
- Your **2020 financial report on Mission Support** — the portion of your offering your congregation shares with your synod, and your synod shares with the churchwide organization.
- A story-based devotional for use at Bible studies or committee meetings

Additionally, you can visit ELCA.org/SOFIA today to download additional resources related to this publication, including a high resolution PDF for printing.

Caring for God's Creation: A few years ago, we began efforts to be better stewards of God's creation—particularly through Terracycle, the Clothing Shed and other recyclables. As we see the continuing changes in the climate, it becomes even more vital that we each step up our efforts individually as well as a congregation. We are re-starting our Creation Task Force to look at ways that we can continue to educate ourselves as well as take measures to care for all that is entrusted to us. There is a grassroots Lutheran group, Lutherans Restoring Creation (<https://lutheransrestoringcreation.org/>) that offers numerous resources as well as covenants. This is another part of what it means to share Christ's peace as we seek wholeness for God's world.

Terracycle Programs: Please leave the items in the designated cans in the closet. Please remember that items must be empty to be recycled but they do not have to be cleaned out. We continue to recycle:

- Personal Care & Beauty: lip balm, soap dispensers, shampoo & conditioner bottles, hair gel containers to name a few. Caps are also recycled!
- Tom's of Maine Natural Care: mouthwash bottles, toothbrushes, toothpaste tubes, deodorant containers, dental floss containers.
- Terracycle is once again accepting Red Solo cups #6 rigid plastic!
