Use this resource at home to guide your household's daily devotions.

Pray: Light a candle and open your devotion time with a prayer.

Jesus loves us, this we know. Help us to love others like Jesus loves us. Amen

Read: Read the key verses from Sunday's reading.

"I am the true vine" (John 15:1)

Reflect: Reflect on the scripture summary.

Just as a plant needs roots to grow, we need God's love to help us live. Jesus as the vine is the way through which we receive and share God's love with others.

Connect: Connect in conversation with others in your household.

What was a high point of your day? What was a low point?

Jesus said that we are to abide (live) in his love. When we love others, we are loving Jesus.

What are ways that you show someone that you love them and that they show you?

How might you show this to someone else today (even someone you don't know)?

For the littles: Make a picture of Jesus loving someone.

Bless: Close your devotion with a blessing. **Jesus loves you now and always.**

Do: By acting on what we learn, we make God's word come alive. Do the following activity this week.

Learn about how to grow plants (particularly grape vines). What helps them to grow in the best way? Buy seeds to plant outdoors or in a pot, learning how to take care of it as it grows.
