*Use this resource at home to guide your household's daily devotions.*

**Pray:** Light a candle and open your devotion time with a prayer.

**God our Creator, all that you have made is good.**

**Help us to see how you continue to create each new day. May we take care of your ever growing creation. Amen.**

**Read:** Read the key verses from Sunday's reading.

**"I am the way, the truth, and the life." (John 14:6)**

**Reflect:** Reflect on the scripture summary.

**When his disciples got worried, Jesus promised that he would prepare the way for them.**

**Connect:** Connect in conversation with others in your household.

**What was a high point of your day? What was a low point?**

**The resurrection is when something that has died becomes alive again – like a butterfly or flower bulbs. What are ways that we know that spring is here?**

**What are ways that you can take care of God's creation today?**

**For the littles: Draw a picture of things that you see in the spring.**

**Bless:** Close your devotion with a blessing.

**May you know that you are created in God's image. Amen.**

**Do:** By acting on what we learn, we make God's word come alive. Do the following activity this week.

**As the days get warmer, watch for signs of spring. Learn about how a caterpillar becomes a butterfly.**
